# RODOLFO RUDY FENAROLI

Rudy is a Camera/Steadicam operator for 15 years based between Milan and Verona. The goal is to provide companies with beautiful and modern media content by managing up to 4 camcorders at the same time (including timelapse and Drone) with the help of an assistant who keeps the set-up operational (batteries, cleaning, safety and drone flight). The preferred recording is via Sony FX3 camera with Zeiss Cine Lenses in external Apple Pro Res Raw mode 12 bit.
